

Errata Sheet

DTFAWA-11-R-00024

The following changes are incorporated into the above Screening Information Request (SIR) and reflected in the amended sections contained therein. This summary document is provided for the convenience of offerors when preparing proposals.

1. Amendment 003 was added to Section A of the SIR and must be acknowledged and signed by all offerors (in addition to all previous amendments).
2. SIR Section C.3(c) is changed to include descriptions of what defines Security Level (SL) 3 and 4 facilities.
3. The fifth paragraph of SIR Section C.3 will be changed to accurately reflect those Security Officer (SO) records required to be maintained on site. Attachment J.9 is additionally modified to agree with this requirement.
4. SIR Section C.4.2.2 is changed to remove the requirements for a Continuity of Operations Plan (COOP). This change also effects SIR Sections L and M since offerors are no longer to include COOPs in their proposal, and the FAA will not evaluate offeror COOPs.
5. SIR Section C.7.1.c.1 is changed to accurately reflect the FAA vision standard.
6. The table within SIR Section C.12 is changed to indicate that the color is not specified for certain items.
7. SIR Section C.12.2 is changed to remove the term "Shift Supervisor" and accurately reflect the FAA's intent for facility communications.
8. SIR Section C.13.1 is changed to reflect the hours of X-ray training the Government will provide to SOs.
9. SIR Section J is changed to reflect the changes made to the current attachments as well as the additional attachments included through this amendment.
10. SIR Attachment J.8 is no longer reserved and now lists Personal Identity Verification (PIV) certification issuance facilities.
11. SIR Attachment J.12 is revised to include accurate hearing standards.
12. SIR Attachment J.14 is added to disclose all known Collective Bargaining Agreements (CBA) to offerors.

13. SIR Section L.5.1.3 is changed to reflect the additional requirement for subcontractors to complete Business Declaration Forms.
14. SIR Section L.5.2.4 is changed to include the requirement for offerors to disclose whether the pricing for each site is based upon a CBA or a Wage Determination (WD).
15. SIR Section L.6 2.2.1(a) (as re-numbered) is changed to remove the erroneous definition of Site Supervisors.
16. SIR Section L.6.3.1 is changed to accurately reflect the SIR section disclosing the due date for Past Performance Questionnaires.
17. SIR Section M.3 is changed to indicate that offerors have the ability to pursue subcontracting opportunities on any service area award without restriction.
